2017-2020 US Sailing Prescriptions (that Apply to Regatta)

The only US Sailing prescriptions that will apply at the Regatta are:

CONTENTS Edit or add the following lines:

R Procedures for Appeals and Requests

Move first line of Contents to make it the last line and change its wording to:

Race Signals, International Code Flags *Inside back cover*

ONLINE DOCUMENTS Add the following paragraph just above the line that begins ‘**Introduction**’:

Links to documents referred to in US Sailing prescriptions and notes can be found at rules.ussailing.org. However, links to documents referred to in Appendix R, Procedures for Appeals and Requests, can be found at appeals.ussailing.org.

EQUAL OPPORTUNITY Add after the new paragraph in the Introduction just above:

Equal Opportunity

As the national authority for the sport of sailing, US Sailing is committed to providing an equal opportunity to all sailors to participate in the sport of sailing.

Rule 34 Change rule 34 title to:

MARK MISSING; RACE COMMITTEE ABSENT

After rule 34, add:

US Sailing prescribes that, if a finishing *mark* is missing but another one remains in place, the finishing line is a line through the remaining *mark* at a 90° angle to the last leg and of the shortest practicable length. If the race committee is absent when a boat *finishes*, she should report to the race committee her finishing time and her position in relation to nearby boats at the first reasonable opportunity.

Rule 40 Change rule 40 title to:

PERSONAL FLOTATION DEVICES; LIFE-SAVING EQUIPMENT

After rule 40, add:

US Sailing prescribes that every boat shall carry life-saving equipment conforming to government regulations that apply in the racing area. Go to rules.ussailing.org and click the ‘PFD’ link for more information.

Rule 48.1 After rule 48.1, add:

US Sailing prescribes that the use of additional special-purpose lights such as spreader, sail-trim and masthead wind-indicator lights shall not constitute a breach of this rule.

Rule 60.3 After rule 60.3, add:

US Sailing prescribes that rule 60.3(b) is changed to:

(b) request redress for a boat or call a hearing to consider redress; or

Rule 61.4 Add rule 61.4:

61.4 Fees for Protests and Requests for Redress

US Sailing prescribes that no fees shall be charged for *protests* or requests for redress.

Rule 63.2 After rule 63.2, add:

US Sailing prescribes that when redress has been requested or is to be considered for one or more boats:

(a) Any other boat may participate in the hearing.

(b) The protest committee shall make a reasonable attempt to notify all boats of the time and place of the hearing and the reason for the request or for considering redress, and boats shall be allowed reasonable time to prepare for the hearing.

(c) The protest committee shall request redress for the other boats that participate in the hearing or request in writing to do so, making them *parties* to the hearing. It need not state a reason for such a request; this changes rule 62.2.

Rule 67 After rule 67, add:

US Sailing prescribes that:

(a) A boat that retires from a race or accepts a penalty does not, by that action alone, admit liability for damages.

(b) A protest committee shall find facts and make decisions only in compliance with the *rules*. No protest committee or US Sailing appeal authority shall adjudicate any claim for damages. Such a claim is subject to the jurisdiction of the courts.

(c) A basic purpose of the *rules* is to prevent contact between boats. By participating in an event governed by the *rules*, a boat agrees that responsibility for damages arising from any breach of the *rules* shall be based on fault as determined by application of the *rules*, and that she shall not be governed by the legal doctrine of ‘assumption of risk’ for monetary damages resulting from contact with other boats.

Rule 70.5(a) After rule 70.5(a), add:

US Sailing prescribes that its approval is required. Go to rules.ussailing.org and click the ‘No Appeal’ link for more information or to obtain approval.

Rule 76.1 After rule 76.1, add:

US Sailing prescribes that an organizing authority or race committee shall not reject or cancel the entry of a boat or exclude a competitor eligible under the notice of race and sailing instructions for an arbitrary or capricious reason or for reason of race, color, religion, national origin, gender, sexual orientation, or age.

Rule 82 Add rule 82:

82 INDEMNIFICATION OR HOLD HARMLESS AGREEMENTS

US Sailing prescribes that the organizing authority shall not require a competitor to assume any liabilities of the organizing authority, race committee, protest committee, host club, sponsors, or any other organization or official involved with the event. (This is commonly referred to as an ‘indemnification’ or ‘hold harmless’ agreement.) Go to rules.ussailing.org and click the ‘Indemnification’ link for more information.

Rule 86.3 After rule 86.3, add:

US Sailing prescribes that proposed rules may be tested, but only in local races. However, proposed rules may also be tested at other events if, for each event, the organizing authority first obtains written permission from US Sailing and the proposed rules are included in the notice of race and sailing instructions. Go to rules.ussailing.org and click the ‘Experimental Rules’ link for more information.

Rule 88.2 After rule 88.2, add:

US Sailing prescribes that sailing instructions shall not change or delete rule 61.4, Appendix R, or its prescriptions to rules 40, 60.3, 67, 70.5(a) or 76.1. However, for an international event the prescription to rule 40 may be deleted.

Appendix L Add Instruction 5.6:

This is a US Sailing prescription. 5.6 Flag A displayed with no sound, while boats are finishing means ‘No more racing today.’

Appendix L Add Instruction 16.9:

This is a US Sailing prescription. 16.9 If the race committee posts a list of boats scored OCS, ZFP, UFD or BFD on the official notice board before the protest time limit, a request for redress based on such a posted score shall be made no later than one hour after the protest time limit. This changes rule 62.2.
